## Opportunity for Year 7, 8 and 9 students

Dear Parent,

This new academic year Toynbee School are very excited to join the Hampshire Children's University (CU), a national organisation aimed at children aged 7-14, with volunteering opportunities for older learners. CU recognises and accredits high quality learning experiences that take place in 'Learning Destinations' out of school hours and when a child is learning voluntarily. It is a great organisation and is specifically focused on rewarding participation and encouraging engagement in extra-curricular activities.

As you are aware Toynbee School offers a wide variety of lunchtime and afterschool clubs to all students. Participation in these clubs will earn students stamps on their CU passport and will also open up opportunities for them to get involved with activities outside of the school environment.

Please see attached a letter from the Hampshire CU Manager which provides more information on this opportunity.

Yours sincerely,

Miss K. Ford  
Year 9 Guidance Manager
