TOYNBEE SCHOOL

RESULTS 2017

We are so proud of all our students, who have achieved another outstanding set of results! Despite the challenge of a new and untested system, which has been especially difficult for students and teachers, the results for Toynbee continue to be impressive.

English and Maths results continue to be of a very high standard. Provisional results show 83% of pupils achieving grades 9-4 in English and 81% of pupils achieving grades 9 to 4 in Maths. The numbers achieving a 'strong' pass in each of these subjects is very high. There has been a strong performance in Science with record percentages in Core (76% A* to C) and Additional Science (68% A* to C), as well as the Triple Sciences performing superbly (100% A* to C and over 50% achieving an A* or A).

The performance of the core subjects combined with very strong performances in our specialism of Humanities, has seen the school achieve its highest Ebacc figure of 29%. Particular highlights are History achieving 86% A* to C and Geography 77% A* to C.

What was so pleasing about the results this year was that attainment was high across the whole curriculum. Religious Studies had an outstanding result with 96% of pupils achieving A* to C and 81% achieving an A or an A*. Computer Science, ICT, French, German, Media Studies, Dance, Drama, and PE all achieved over 75% A* to C.

The results are a testament to the hard work of the pupils and staff who have been relentless in their pursuit of their *Personal Best*, the Toynbee motto. Once again, congratulations to the pupils for all their hard work and good luck to them in their future careers.
