

Literacy Moment: Week Beginning 03/01/17

Only a bit of revision this week...

You've got a few questions to answer, and then you should find the words in the grid!

These are all words from last term's literacy sessions.

Good luck! 😊

CLUES :

1. Descriptive Words
2. Used to indicate possession or omission.
3. Used to being sentences.
4. A section of a sentence.
5. Used to separate sections of a sentence in which **one makes sense on its own.**
6. Used to end a sentence.
7. A _____ clause makes sense on its own.
8. Punctuation for separating two main clauses.
9. A series of words placed together that make sense.
10. A section of a sentence that **does not make sense on its own.**

Next Week...

We will be looking at **different types of words**.

I've no doubt you know these already, but it's useful to be able to **recognise** them, and use the **technical vocabulary** to talk about them!

Have a lovely first week back!
