July 2021

Dear Parents and Carers,

I hope you are well and finally summer has arrived.

I wanted to update you about the September return as soon as possible. As you may be aware, we have been instructed by the Department for Education to offer two on-site lateral flow tests to all pupils on their return to school. We have now worked out the logistics and staffing to carry out the testing in the safest and least disruptive way. Like you, we want a positive and as normal as possible start to the new academic year.

I have attached a timetable for the testing, highlighting when your child needs to attend school. Please can you look at this carefully and most importantly, we are required to ask for your consent. The link to the form requesting parental permission is below and I would ask that you complete this by Wednesday 21st July. If we do not receive consent, we will be unable to offer your child a lateral flow test in September.

Could I thank you for all your support this year, and I will write to you with further updates later in the week.

Many thanks,

Matthew Longden
