### 1. **Ethos and Policy Statement:**

- 1.1 The Government grants schools the powers they need to provide a safe, structured and respectful environment in which teachers can teach and pupils can learn. The objective of the Toynbee School Behaviour and Suspension Policy is to develop a culture of 'Respect', built on shared beliefs, values and strong relationships between all stakeholders. The policy details the routines and expectations that are essential to enable pupils to learn, teachers to teach, and all members of the community to remain safe. Furthermore, the policy outlines how pupils can learn, be successful, develop their character and achieve their personal best.
- 1.2 Toynbee School believes that positive pupil behaviour is achieved by:
  - 1.2.1 Developing in all pupils a sense of self discipline and acceptance of personal responsibility for their own actions
  - 1.2.2 Teachers developing positive relationships with pupils through the explicit teaching and encouragement of positive behaviour
  - 1.2.3 Teachers recognising and celebrating positive behaviour, and addressing behaviour that does not meet the Toynbee Expectations.
  - 1.2.4 Using a clear Code of Conduct (The Toynbee Expectations), which is familiar to everyone, with rules that are fair and easily understood, and the consequences of positive and negative behaviour clear and transparent.
  - 1.2.5 Fostering an ethos of mutual respect and providing a safe environment where all pupils relate well to other members of the school community, allowing effective learning to take place.
  - 1.2.6 Teaching pupils to become responsible citizens who aspire to be successful.

### 6. **Rewarding and Recognising Positive Behaviour:**

6.1 Toynbee School understands that recognising and celebrating positive attitudes to learning is an effective strategy for motivating pupils and promoting an atmosphere of mutual respect. The school is committed to promoting and celebrating good behaviour through a range of strategies. The strategies below are not an exhaustive list:

- 6.1.1 Verbal and written praise
- 6.1.2 Telephone calls, emails and letters/postcards home
- 6.1.3 Recognising pupils' achievements and positive attitudes to learning through the awarding of Achievement Points (APs) and Proud Points (PPs)
- 6.1.4 Subject, Guidance Manager, Progress Director and Headteacher recognition certificates
- 6.1.5 'Subject Stars' and other similar awards published in the Newsletter

- 6.1.8 Termly Celebration Events and Assemblies
- 6.1.9 Model Pupil Awards
- 6.1.10 100% Attendance Awards
- 6.1.11 Annual Awards Events and Trips

### 7. **The Management of Classroom Behaviour:**

- 7.1 It is the everyone's responsibility to ensure that classrooms are respectful places where teachers can teach, pupils can learn, and everyone feels safe. Teachers will ensure this by employing behaviour management techniques focused on building positive relationships, maximising pupil learning and minimising disruption. **The Toynbee Discipline Chain (Appendix A)** works on the principle that it is the classroom teacher who must take primary responsibility for his/her classroom management. **The Toynbee Expectations (Appendix B)** will be displayed in all classrooms and certain corridors and noticeboards. **The Toynbee Expectations (Appendix B)** will be explained to all pupils in lessons, tutor times and assemblies. Through INSET sessions and staff meetings, classroom teachers will be advised to adopt a variety of behaviour management strategies to effectively manage their lessons, ensuring effective learning can take place and to avoid escalating potential problems.
- 7.2 Where pupils behaviour falls below the standard expected outlined in **The Toynbee Expectations (Appendix B)**, classroom teachers are expected to consistently apply the **Toynbee Discipline Chain (Appendix A)**. The classroom teacher should familiarise themselves with this process and work through the stages in a consistent manner according to pupil behaviour. The classroom teacher should ensure they are aware of any SEN or Pastoral needs by liaising with the SENCO and Guidance Manager. In addition, they should familiarise themselves with the Personal Information Plan (PIP) for pupils in their classes.
- 7.3 While all teachers have a responsibility for managing behaviour in their classroom, there will be occasions when it is proportionate and reasonable for the teacher to refer the matter to another member of staff for support and to ensure that learning of other pupils is not impacted. The classroom teacher should follow 'Steps 1-3' outlined in the document titled **Managing Classroom Behaviour (Appendix C)**, this includes referring a pupil to their Head of Department when they have exhausted the **Toynbee Discipline Chain (Appendix A)**, made contact with parents, set the pupil a sanction (in accordance with the document titled **Managing Classroom Behaviour (Appendix C)**), and there has been no improvement in behaviour from the pupil.
- 7.3 The Head of Department should then seek to resolve the issue using the appropriate and relevant strategies and sanctions as set out in 'Step 4' of the document titled **Managing Classroom Behaviour (Appendix C)**. This could include making contact with parents, facilitating restorative meetings, using subject monitoring reports to improve pupil behaviour, reviewing the make-up of classes and sets, reinforcing and setting HOD detentions. If the matter remains unresolved and there continues to be no improvement in pupil behaviour they should refer the pupil to the Progress Director/Assistant Headteacher to take further action.
- 7.4 The Progress Director/Assistant Headteacher should seek to find a resolution using the strategies outlined in 'Step 5' of the document titled **Managing Classroom Behaviour (Appendix C)**, before involving the Senior Leadership Team if

the matter remains unresolved. At all times during the process, parents should be kept informed, involved and offered the opportunity to come into school for a meeting to seek a resolution.

7.5 The Senior Leadership Team will invite the parent and pupil into school for a meeting to seek to resolve the issue. The Senior Leadership Team will make a judgement regarding the strategies and sanctions using the strategies outlined in ‘Step 6’ of the document titled **Managing Classroom Behaviour (Appendix C)** to try and bring about a resolution to the matter.

7.5 Staff will record all relevant behavioural incidents and meetings on the school’s management information system (Arbor). It is the responsibility of the Guidance Manager to oversee this process. The Guidance Manager will monitor Arbor for behavioural trends and patterns to assist with planning pupil intervention strategies.

7.6 In the event of extreme or persistent poor classroom behaviour (for example, but not limited to, the verbal or physical abuse of staff/aggressive behaviour/refusal to carry out a reasonable request), the classroom teacher will call for a Guidance Manager or a member of the Senior Leadership Team via the ‘On Call’ Protocol to assist and de-escalate the situation. The Guidance Manager or a member of the Senior Leadership Team will then investigate the incident, inform parents and if appropriate, a reasonable and proportionate sanction will be applied. During the investigation of an incident, it may be appropriate to ask pupils to write their account of what they believed to have happened. This is a neutral act and undertaken to help staff to ascertain what happened.

## 8. Management of School Wide Behaviour:

8.1 In the event of an incident outside of the classroom whereby a pupil fails to adhere to **The Toynbee Expectations (Appendix B)** and **Toynbee Behaviour Curriculum** (as outlined in this Policy under **Section 4**), all staff will be expected to report the matter to the Guidance Team via the ‘On-call’ reporting methods.

8.2 Depending on the severity of the incident, the Guidance Manager, Progress Director or a member of the Senior Leadership Team will investigate the incident, inform parents as soon as is reasonably practical and where appropriate, apply a reasonable and proportionate sanction taking into consideration any appropriate contextual information and in line with the steps outlined in the document titled **Managing Behaviour outside of the classroom (Appendix D)**.

8.3 During the investigation of an incident, it may be appropriate to ask pupils to write their account of what they believed to have happened. This is a neutral act and undertaken to help staff to ascertain what happened.

8.2 In all cases of serious misconduct, (including behaviour outside of school premises as outlined in the [Behaviour in schools, February 2024, Department for Education](#), the school will consider whether the Police, Children Services or the Local Authority should be notified of the incident and whether any subsequent appropriate disciplinary action should be taken by the school in line with the Behaviour Policy. The Police and Parents/Carers will always be informed where a pupil’s behaviour is criminal or poses a serious threat to peers, staff or members of the public.

## 9. Management of cases of child-on-child abuse, sexual harassment and sexual violence:

9.1 The school will ensure that all incidents of child on child abuse, sexual harassment and/or violence are always addressed, and always met with a suitable response. Pupils are encouraged to report anything that makes them uncomfortable, no matter how ‘small’ they feel it might be to their Tutor, Guidance Manager, any member of staff or via the [I Need to Talk](#) section of the Toynbee website.

9.2 All staff are required to report all matters of child-on-child abuse, sexual harassment and sexual violence to the Toynbee Safeguarding Form or to [safeguardingteam@toynbee.hants.sch.uk](mailto:safeguardingteam@toynbee.hants.sch.uk). The matter will then be followed up by the DSL in line with our safeguarding policies and procedures, outlined in the Safeguarding and Child Protection Policy. The matter may be dealt with internally, referred to Childrens’ Services and/or the Police.

## 10. The Application of Disciplinary Sanctions:

10.1 The School understands that the use of sanctions must be reasonable, proportionate and take into consideration any appropriate contextual information in line with the [Behaviour in schools, February 2024, Department for Education](#) p17

*Teachers can sanction pupils whose conduct falls below the standard which could reasonably be expected of them. This means that if a pupil misbehaves, breaks a rule or fails to follow a reasonable instruction, the teacher can apply a sanction on that pupil*

- 10.2 Staff and pupils are made aware of sanctions used by the school through this Policy (available on the Toynbee School website via <https://www.toynbee.hants.sch.uk/policies>), via the **Toynbee Discipline Chain (Appendix A)** on display in classrooms and through assemblies and other relevant channels. The school has the following range of disciplinary sanctions that may be implemented by staff. (It should be noted that the sanctions below are not necessarily incremental, for example a first offence could lead to any one of the sanctions listed below)
- 10.2.1 Reminders and Warnings
  - 10.2.2 Requesting that the pupil moves to another seat in the class
  - 10.2.3 Temporary move to another class or office (Working in a 'Buddy Room')

Parents/Carers will be informed of all serious sanctions as soon as is reasonably practical. A reintegration or readmission meeting with pupils, parents and staff will always be sought following a serious sanction.
- 10.4 Where behavioural issues give cause to suggest that a pupil is suffering or is likely to suffer significant harm, the School's Safeguarding and Child Protection procedures will be followed.

## 11. Suspension and Permanent Exclusion:

- 11.1 The School operates within the principles of fairness and natural justice. Where appropriate, the School will liaise with the Local Authority Inclusions Officer to ensure that due process has been followed. The school will follow DfE and Local Authority guidance on Suspensions as detailed below:

[Suspension and Permanent Exclusion from maintained schools, August 2024, Department for Education](#)

## 12. Searching, Screening and Confiscation:

- 12.1 This policy should be read in conjunction with the Toynbee Substance Misuse and Drugs Education Policy.
- 12.2 The School follows DfE guidance as detailed below:

[Searching, Screening and Confiscation, July 2022, Department for Education](#)

This guidance authorises staff to search pupils, without consent where they have reasonable grounds for suspecting that the pupil may have a prohibited item. Prohibited items are defined in the DfE Guidance (Page 17-20) and under section 4.2.13 of this policy.

12.3 Staff will follow the procedures for Searching Pupils as outlined in Appendix E – Staff Protocol for conducting a search of Pupils and Appendix F – Pupil Search Consent Form

## 13. The use of Mobile Phones in school

13.1 The school will follow the [DFE: Mobile phones in schools - February 2024](#) guidance, adopting the “*never used, seen or heard*” principle. This will be communicated at least annually to pupils, parents and staff.

13.2 Pupils are permitted to bring their mobile phone to school; however, it must not be visible or audible at any time and must be kept in a school bag or locker.

13.3 Staff will be expected to consistently enforce this policy by reporting pupils that are seen using their mobile phones to the Pastoral Team. Staff should not use their own mobile phone for personal reasons in front of pupils throughout the school day.

13.4 Parents will be informed when their child has been reported for using their mobile phone.

13.5 The school will issue sanctions as outlined in section 10.2, when a pupil is in breach of the mobile phone policy. When a mobile phone is seen by a member of staff, it is deemed a prohibited item and as a result staff will follow the process for Searching, Screening and Confiscation as outlined in section 11.0

13.6 For the purposes of this policy, Mobile Phones includes any device used to communicate (eg electronic watches), MP3 players, tablets and headphones/earpods.

## 14. The Use of Restraint and Reasonable Force:

14.1 The School follows DFE guidance [DFE: Use of reasonable force, July 2013](#) and permits staff to use reasonable force in the following circumstances:

- 14.1.1 removal of disruptive children from the classroom where they have refused to follow an instruction to do so;
- 14.1.2 preventing a pupil behaving in a way that disrupts a school event or a school trip or visit;
- 14.1.3 preventing a pupil leaving the classroom where allowing the pupil to leave would risk their safety or lead to behaviour that disrupts the behaviour of others;
- 14.1.4 preventing a pupil from attacking a member of staff or another pupil, or to stop a fight in the playground;
- 14.1.5 restraining a pupil at risk of harming themselves through physical outbursts

14.2 Staff must immediately report the use of restraint or reasonable force via the online Safeguarding Reporting Form.

## 15. Malicious Allegations:

15.1 Where a pupil is found to have made an accusation against a member of staff and the accusation is shown to have been deliberately invented or malicious, the school will consider the appropriate disciplinary action to be taken in accordance with this Policy. Where such an allegation is made, appropriate support will be provided to the member(s) of staff affected.

15.2 Where a pupil makes an allegation of any nature, including sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

15.3 In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children’s social care may be appropriate.

15.4 The school will also consider the pastoral needs of staff and pupils accused of misconduct.

## 16. Responding to misbehaviour from pupils with Special Educational Needs or Disability (SEND)

- 16.1 The school recognises that pupils' behaviour may be impacted by a Special Educational Need or Disability (SEND). When incidents of misbehaviour arise, the school will consider them in relation to a pupil's SEND, although the school recognises that not every incident of misbehaviour will be connected to their SEND.
- 16.2 Decisions on whether a pupil's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis and always in accordance with [Behaviour in schools, February 2024, Department for Education](#). Taking reasonable steps to avoid any substantial disadvantage to a disabled pupil being caused by the school's policies or practices as outlined in the [Equality Act 2010](#).
- 16.3 When applying a sanction to a pupil with SEND following a breach of the Behaviour Policy, the school will assess if a sanction is reasonable, and if so, whether any reasonable adjustments need to be made to the sanction.

## 17. Pupil Transition

- 17.1 The school will support incoming pupils to meet behaviour standards by offering an induction process to familiarise them with the Behaviour Policy and the wider school culture. Pupil information is shared with staff by the Guidance Team and the SENCO to help facilitate this transition.

## 18. Strategies to Support Pupils who Demonstrate Continued Poor Behaviour:
