Dear Parents and Carers

Year 8

Ben in Year 8 has been undertaking a swimming challenge to raise money for Bone Cancer Research having lost a very close family friend to it in November 2020. This week Ben completed his 50km in the pool (31.25 miles) despite having a horrible cold. Between him and his sister they have raised an amazing £570!!

Well done Ben - Great Job 😊

Year 10

A separate bulletin is being communicated to all year 10 parents weekly. Please ensure that you read this weeks bulletin as there is important information regarding the final few weeks of term.

Best wishes, Mrs Kalogierias, Guidance Manager Year 10

Summer Reading Challenge

At the end of next week, I will be sending home Toynbee School's Summer Reading Challenge, this is in the form of Bookopoly, and any entries and challenges completed mean entries into a prize draw in September for Waterstones book vouchers. All pupils will receive a paper copy of the challenge from their tutor and I will send a copy home via parent mail as well.

I think this will be a really fun way to encourage pupils to read during the summer holidays. All entries will earn Achievement Points and House points, so a great way to start next academic year!

Hampshire Book Awards 2022

On 28th June I had the privilege of taking a group of year 8 pupils to Applemore College to participate in the voting event for this year's Hampshire Book Awards. At the event they met with pupils from a variety of Hampshire schools to discuss this year's entries and vote for a worthy winner. There were many lively discussions around the room and all pupils conducted themselves with amazing maturity and had some wonderful insights on the books they had read. I am very proud of the effort that all of this year's participants have put into this challenge and they should all be very proud of themselves.

Toynbee

This year's winning book was "Ground Zero" by Alan Gratz. Based on the events of 9/11 and the rippling effect of those actions 20 years later. A thought-provoking book told from dual perspective. Well worth a read by any pupil in school.

As always if you have any questions about the challenge or anything LRC related, please do not hesitate to contact me at s.nicholls@toynbee.hants.sch.uk

Have a wonderful weekend filled with wonderful books

Mrs S Nicholls, Library Manager

Geography

Yesterday, 46 keen Year 8 Geographers visited The Natural History Museum in London to explore the Volcanoes and Earthquakes zone. Pupils worked together to get their booklets completed by using the displays and interactive exhibits. They investigated the different types of tectonic plate boundaries, researched examples of large eruptions and even experienced the Earthquake Simulator! Pupils also had time to explore the Blue Zone, which included life size replicas of the world's largest mammals, and the very popular Dinosaurs Zone. Pupils behaviour and engagement was excellent and the Geography Department thanks them for being such great ambassadors for Toynbee. We hoped you enjoyed yourselves just as much as we did!

Frequently Asked Questions

What time should I drop off /pick up my child at a camp?

Our hours are 9am-4pm. We also offer an early drop off time of 8am and a late pick up time of 5pm. You can select this option when booking. 360 Sports (HAF) hours are 9am - 4pm.

What should my child bring?

Your child is more than welcome to bring outdoor activity shoes i.e. football boots, but trainers are essential in case we need to go inside. We will provide all necessary equipment for all the sports and activities your child will take part in.

Will you provide breakfast and lunch for my child?

Only children who are eligible and book onto the 360 Sports (HAF) camps will receive breakfast and lunch. For all other bookings, please provide your child with healthy snacks, a packed lunch and a refillable drinks bottle - no fizzy drinks. We operate a NO NUT policy on our camps so please do not pack them!

What should my child wear?

Every child should wear appropriate clothing for outdoor activities, trackcloths with shorts if the weather is good and a waterproof jacket.

Will you provide sun cream?

No, we are unable to apply sunscreen to children. Please ensure your child arrives wearing the appropriate factor and send additional sunscreen in with your child. We will remind them throughout the day to apply it.

Will you provide drinks?

Yes. All of our camps will have access to drinking water to refill water bottles.

What if the weather gets bad?

We have inside facilities available all week.

What if my child doesn't enjoy it?

Trust us, they will. However, please do feel free to raise this with us and we will deal with individual circumstances.

What if my child gets injured?

All of our coaches are First Aid trained. If there is an emergency, you will be contacted immediately on the emergency contact details you have provided.
