Dear Parents and Carers

## Year 11

This week saw the first week of independent revision during Tutor on Tuesday. I visited all Tutor Groups, and it was great to see all pupils focused and making the most of the additional revision time. Just a reminder that pupils need to come to these sessions with their own revision resources. Copies of blank revision timetables will be available for pupils.

Pupils have now sat 2 Maths mock exams and 1 English mock exam. All pupils conducted themselves perfectly during these mocks and should be so proud of themselves. The feedback that I have had from staff members involved in the mock exams has been nothing but positive.

Please see below an update from Barton Peveril College regarding applications. If your child would like any help or support with their application, please let me know.

### **Applications to Barton Peveril close on Friday 18th February 2022.**

As pupils have just under a month to apply, below are some helpful video resources they may find useful to further inform them about Barton Peveril.

Pupils can submit their applications [here](#).

Video Resources:

[Step by step guide on the application process](#) to study at Barton Peveril College

[Choosing your subjects for College](#) by our Head of Careers, Shoonagh Hubble.

We have a range of current Barton Peveril students talking about the subjects they take, these videos can be found on this [YouTube Playlist](#).

If students are struggling to write their personal statement for College, please direct them to this helpful [Personal Statement Tips](#) video.

Our most recent live-streamed [Aspire Student Q&A](#), for high achieving students.

Keep up the hard work Year 11.

Best wishes, Miss West

## Toilets

At the beginning of the week, due to a rare episode of vandalism in our toilets, there was a short period of time where the school made the difficult decision to lock specific toilets during certain parts of the day. This message was communicated to the pupils on Monday morning and pupils were informed which toilets they were able to access safely, should they have needed to.

This was always planned to be a short-term measure, and from Wednesday the toilets in the main block and PE corridor were opened and accessible throughout the whole day. Once repairs have been completed to the Technology toilets, they will also be re-opened.

## Drama

On Wednesday 19th January, we took Year 10 GCSE pupils to see 'Groan Ups' at the Mayflower Theatre, Southampton. This was the second outing for the Drama department and once again it was wonderful to be at the theatre viewing a performance with pupils. The play had us laughing from the start with an amusing Primary school assembly and ending with a thought-provoking confession once the children had become adults. There was plenty of discussion to be had once back in school with respect to the set, lighting, costume, and the acting, as the cast portrayed children from Primary, to Secondary and then into adulthood! The pupils have hopefully been inspired by the acting and can use what they have seen within their own future performances. We look forward to reading their reviews!

## Learning Resource Centre

This week we have launched our "Blind Date with a Book" promotion and it is already very popular with students. We are wrapping up titles from our shelves so that the covers and titles cannot be seen. Key words relating to the texts are added to the cover. Students are rewarded with 5 achievement points for trying something new. Please encourage your child to pop by the LRC to have a browse through the selection.

Please can you also ask your children to check their emails for overdue book reminders, if they have any please can they return them to the LRC as soon as possible.

Many thanks and keep reading!
