16 July 2021

Dear Parents and Carers

I think we are all relieved that there is only one more week to go. Let's just hope nothing else will happen over the next week! Fingers crossed for a positive end to term.

## September 2021 Timetable changes

We have made some changes to the timetable construction for September:

Year 8 will now be taught in mixed ability teaching groups rather than tutor groups for all their lessons, with the exception of Maths and Science lessons. For Year 9,10,11 Maths and English lessons, pupils will be split into two equal sides of the year group. English classes will be mixed ability and Maths will 'set' their classes. This means that pupils will be in a different Maths and English class when they return in September.

## Summer reading list

Please find attached a summer reading booklist for students to have a look at over the holidays. We are working hard to get the school library up and running again as soon as possible in the Autumn term. Anyone who manages to read any of the attached books will be in line for some achievement points when we return to school. All your child will need to do is find me in the library or the inclusion room and tell me about their summer reading journey. There are lots of changes planned, so watch this space! Best wishes & have a wonderful holiday.

Mrs Nicholls, Library Manager

## House curriculum

After a very successful House curriculum week, next week is House sports week. Pupils will take part in house sports on the following afternoons. Please remember to bring appropriate sport kit on the following days.

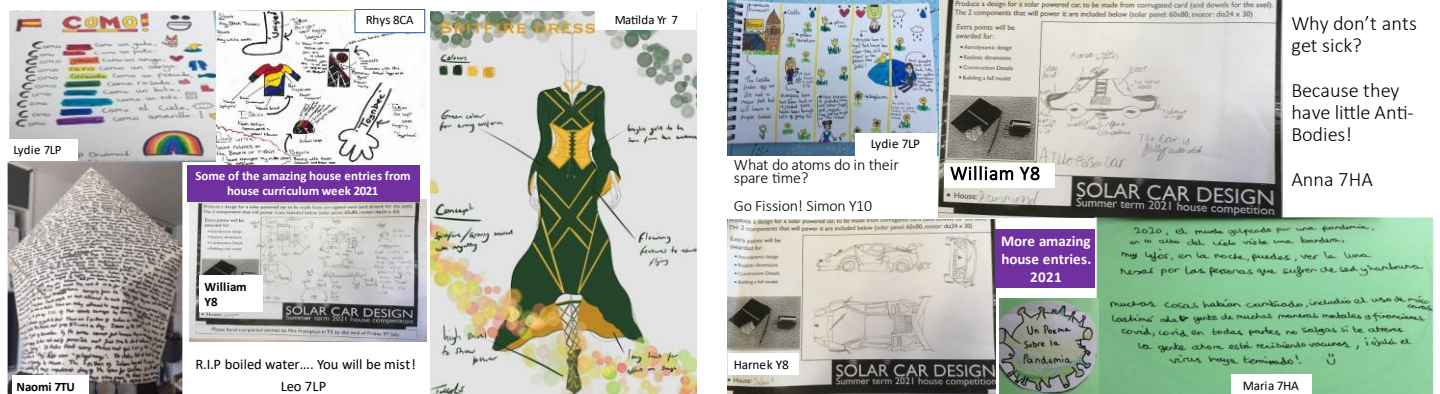

Monday: Year 8

Tuesday: Year 7

Wednesday: Year 9

Thursday: Year 10

The number of entries and quality of the entries has been outstanding, below are some examples from the Toynbee house competitions.

Well done Toynbee and good luck for sports week.

House Leader.

## Poetry

Huge congratulations to Holly P, in year 9! Earlier this term, Holly entered a poetry competition which was run by Young Writers. Her poem was selected to be printed in a new anthology of poetry called 'Imagine!' We are very proud of Holly and her wonderful writing.

### Dreams

Dreams.  
Dreams are a wonder to  
Us.  
They come and they go.  
Some good and some  
That  
Like making you wake  
In the  
Middle of the night,  
Drenched in sweat and  
Fear.

Dreams.  
Dreams are a wonder to  
Us.  
They can make us feel  
Joy, passion,  
Excitement,  
Dreams can make us  
Passionate about  
Something.  
Something small but  
Lead to something great  
And leads to reaching for  
The heavens.

Dreams.  
Dreams are a wonder.  
Some people remember and  
Choose to write their  
Dreams down on paper  
Or on a computer.  
The ones that stay for an  
Imprint  
And are clear as cut  
Glass.  
But dreams can also  
Trickly away just like  
Water and are misled in  
Fog for some.

Dreams.  
Dreams are a wonder.  
Some people choose to  
Follow their dreams.  
Unfortunately, others  
Choose not to follow their  
Dreams  
I wonder if we took the  
Time to decipher and  
The maybe, just maybe,  
The world might be a  
Better Place

## Non-uniform day or Monday

A reminder that it is non-uniform on Monday. It costs £1, of which half will go towards Helpful Hounds, and the other half will go to a local charity of the prefects' choosing. Year 8 have sports in the afternoon so they may wish to just come in dressed for that.
