Dear Parents and Carers

It has been another extremely busy week but now the end is in sight. We are busy making preparations for the start of term and I will be writing to you with further details next week. In the meantime I would just like to wish you a brilliant weekend, and fingers crossed for a victory after 55 years.

## Year 7

This has been a week of two halves for the year 7s. Well done to those of you who have been working hard at home. We are very much looking forward to having you back in school on Monday. Next week brings a mixture of the Spanish side completing their CAT tests, an afternoon of sports for the house challenges & finally we have the much anticipated Year 7 celebration trip to Paultons Park on Friday. I don't know who is more excited - me or the Year 7s! I will send out next week a parent mail next week with all the information about timings etc. I Hope you all have a lovely weekend & enjoy the football on Sunday.

Miss Murchie, year 7 Guidance Manager
